NATIONAL LEAGUE.

Although the scheduled opening o the National League opens to-day, there were two games vesterday afternoon. Philadephia detected washing-ton in a close game before 11,000 people at Philadelphia, and Chicago walked away with a one-sided game from the Colonels at Louisville. In the Phila-delphia-Washington game, "Dick" Padden played a strong game for the Senators, scoring one run, two hits, two put outs, two assists and no errors. The games scheduled to-day are as follows:

Boston at Brooklyn Washington at Philadelphia. New York at Baltimore. Pittsburgh at Cincinnati. Chicago at Louisville. Cleveland at St. Louis.

A Hard Struggle.

PHILADELPHIA, April 14.-The base ball season opened here with over 10,000 people in attendance, and proved to be people in attendance, and proved to be an auspicious occasion for the home team. Philadelphia won, but it was not an easy victory, as Washington plyed a fine fielding game, and had not the homo team solved Killens' delivery in the fifth, sixth and seventh innings, a differth story might be told. Roy. Thomas, who formerly played on the University of Pennsylvania team, answered all the requirements at first base and won the spectators' admiration. The batting features were Cooley's triple and Delehanty's two doubles. Score:

This is called hypnotism—an influence about which very little is known—and it is not a difficult matter to fud a few people who have been put to sleep in this manuer. You can find hundreds and thousands of women, however, whose sleep has been made peaceful and restful by Dr. Pierce's Favorite Prescription. It southes the nerves by curing the disorders commonly called "female troubles." It is indorsed by an army of women in every State in the Union, who have been brought back to health after suffering untold misery from disagreeable drains upon the system, irregularities, prolapsus, backache, "bearing down" pages, mervousness, despondency and hysteris. "Favorite Prescription" is a vegetable medicine, and contains no altoholic stimulant or dangerous narcotic to create morbid cravings. Its action is confined altogether to the distinctly feminine organism, which it heals, soothes and strengthens. It helps to make existence pleasant before baby comes, and on the occasion of the little one's advent, danger is avoided and the pain reduced to almost mobiling.

The Intelligencer does no morning. The Intelligencer does not deem it necessary to justify itself with the evening sheet, but to the base ball public it will be stated that the schedule was printed in advance of the day requested by President Power because past experience has taught that the evening papers of the Inter-state circuit have in the past in several instances printed the schedule either in part or whole the evening before the day named by President Power. Why, the Mansfield papers printed sections of this very schedule (or the one that was thought to have been adopted then) the day after the meeting of the league there, in the face of its not being made public. A morning paper yesterday, which was informed that the Intelligencer would print the schedule, gave parts of it. And the evening paper which waxes so warm itself printed the Wheeling end of it last evening; to be consistent the evening sheet ought to kick itself for this "dirty breach of confidence." Mr. Power's request was made in order to secure uniformity, in its publication over the scircuit." The Intelligencer printed it Friday morning in order to be in the advance guard of this uniformity. The News is simply aggrieved because in this instance it happens to be in the rear guard.

A Right and a Left Hook Put Out Joe Gans Last Night. NEW YORK, April 14.—Joe Gans, the

veteran Baltimore light-weight, went lown before George McFadden, of New York, in the twenty-third round of their ight at the new Broadway Athletic Club to-night. Gans was not completey knocked out, but fell from exhaustion and was unable to gain his feet after he dropped. It was a rattling fight to

he dropped. It was a rattling fight to watch, and 5,000 spectators cheered the winner on to victory. Referee Johnny White warned the principals that they would have to care for themselves in the breakaways.

The opening rounds were featureless, for both of the men were vary wary. In the eighth round McFadden cut loose, took a lead and was never anin headed. He gave the most remarkable exhibition of blocking ever seen in a local ring. Gans tried in every way to get in on the New Yorker, but was invariably stopped. If McFadden blocked with his left, he sent the right into the body, and with the left found the face. He fought at close range, and was generally inside Gans' leads. In the eighteenth Gans was very tired and groggy, but McFadden seemed unable to place the right kind of a punch. Time saved the colored man. Again in the twenty-second round Gans was wobbly on his feet, but once more McFadden foiled to do the trick.

McFadden opened the twenty-third with two rights on the body and a left with two rights on the body and a left with two rights on the body and a left with two rights on the body and a left with two rights on the body and a left with two rights on the body and a left with two rights on the body and a left.

McFadden opened the twenty-third

distressed. Suddenly the white lad
sent a right to the Jaw, and then hooked his left on the chin. Gans toppled
over, and was unable to rise. The men
signed to fight at 133 pounds, but McFadden was five pounds under the

BOWLING.

Last night, in the Wheeling League's tournament, the Bowlers lost two out of three to the Old Cronies. The feature of three to the Old Cronies. The feature was the effort of Rader, of the Bowlers, to roll three scores high enough to pull down the high individual average. He rolled 211 in the first game, and averaged more than 190 on the three, but Secretary Fette has compiled the scores of the two men, and announced last night that Brown, of the Wheelings, wins on a very slight margin, one-fifth of a pin.

The statement of the First National bank, just published, shows deposits amounting to more than \$700,600, while the leans and discounts are less than half that amount. With such a sum of money on hand, the denosits being of money on hand, the deposits being the highest in the history of the bank, this pioneer bank here ought to be in nice shape when there comes a greater demand for money than there is at this time. And nobody knows what three years ago there was a very general howl about the scarcity of money, and 40-day the banks in the Ohlo volley and many individuals are puzzling themselves to know how to employ the idle money they have on hands.

They dropped into the fair of the Eiks and Featherington's band and after relating their tale of woe demonstrated that one of them could manipulate the keys of a plano fairly well, while the other can strike a stage attitude and sing. In the contest on the most popular lady, Miss Amelia Steger led with 600 votes Thursday night, but the contest was nip and tuck, with Lulu Hardy a good second and Beulah Gatts was an excellent third. No idea of the standing of the girls at the finish can be gathered from this showing.

The terror of many women's lives is menstruation,

Such women wear themselves out with suffering and seem to think there is no relief

from the monthly pains. Miss Emily F. Hass, of 148 Freeman Street, Greenpoint,

I was very sick for nearly a year with hysteria, was downhearted and nervous; also suffered with painful menstruation and pain in back and limbs. I often wished for death, thinking nothing would cure me. I had doctors, but their medicines did me no good. At last, by the advice of a friend, I began to take Lydia E. Pinkham's Vegetable Compound with very little hope of its doing me any good, but I am happy to say I am entirey cured. Thanking you for the good your medicine has done me, I am sending you my testimonial, hoping it will help others."

Pinkham's Vegetable Compound, and my menses have become regular, and am cured of that bearing-down feeling after walking. I consider your Compound one of the best medicines there is for those complaints peculiar to women. I thank you for the good advice you gave me. to a false idea is folly. Generations of ignorance have handed down belief in the necessity of monthly suffering. A healthy woman should experience but little pain and only a moderate amount of inconvenience.

Mrs. Van Cleft Advises Women.

"DEAR MRS. PINKHAM-For several years my health was miserable. I suffered the most dreadful pains, and was almost on the verge of insanity. I consulted one of the best physicians in New York, and he pronounced my disease a fibroid tumor, advising an operation without delay, saying that it was my only chance for life. Other doctors prescribed strong and violent medicine, and one said I was incurable, another told me my only salvation was galvanic batteries, which I tried, but nothing relieved me. One day a friend called and begged me to try Lydia E. Pinkham's Vegetable Compound. I began its use and took several bottles. From the very first bottle there was a wonderful change for the better. The tumor has disappeared entirely and my old spirits have returned. I heartily recommend your medicine to all suffering women."-Mrs. Van Cleft, 416 Saunders Avc., Jersey City Heights,
